

There is nothing better than a freshly picked apple to herald the arrival of fall. **Sunshine Farm** has apples galore - Macintosh, Cortland, Gala, Honey Crisp and Macoun. Get to the Market early for the best selection. Our **fabulous baker Claire Garland** is back with French apple tarts and Chocolate pear upside down cakes. Also a smart time to pick up your pumpkins for decoration or baking. A delicious fall day with temps in the 60's and sun for the Market.

See you at the Market !

Artist Joyce Caggiano rings the bell to start the 15th Market Day. She and her paintings are a new addition this year. Also visit Patty Harrington for her note cards. Always a good time to find a great gift for yourself or the upcoming holidays.

Miss Elaine returns at 3:30 for one more Storytime courtesy of the Milton Public Library. This could be the last one of the year, so hurry on down.
