

The weather forecast says get to the market early today. The selection of produce and the weather is best then. There are still tomatoes but not for much longer. Milton's Billion Bees are back and so is Clare Garland with her fresh baked desserts. See you at the Market !

Ann at Top Shelf Cookies rings the bell to open the 12th Market Day. Cookies for a treat or with a cup of tea.

### MFM Calendar of Events

**Milton COA** - October 7, visit to the Market

**Sustainable Milton** - Sept. 9 & 23, with information on Milton Community Electricity Aggregation

### Market Scene

Milton Crew has started rowing and this is how the boat gets in the water. They have created a great program.

Intense match as white queen advances. Maybe there will be a mini tournament one of these days.

Ride your bike to the Market for a tuneup at the Bike Infirmary, and you also get a Bicycle Coupon worth \$2. Courtesy of the Milton Bicycle Advisory Committee.

As always please leave the two **EV charging spaces** for electric vehicles. There is plenty of room in the lot and on the street for everyone. Thanks for your cooperation.

A big Thank You to our Sponsors this year who contributed to the Market's return in 2021. We could not have done this without you !
